The San Marcos Mobilehome Residents Association's Political Action Committee is pleased to announce its endorsement of San Marcos Mayor Jim Desmond for the Office of San Diego County Supervisor. Jim Desmond has an impressive history of service to the City of San Marcos, serving as its Mayor since 2006.

The City of San Marcos has maintained fiscally responsible accountability, outstanding services, and has remained a beautiful and desirable community for its residents. Jim Desmond has served the City of San Marcos with excellence for the past 18 years; his tremendous credibility, integrity and his continuous involvement in our City Government, has allowed the City of San Marcos to evolve into one of the County's finest cities.

Jim Desmond's relevant political history includes serving as, "In addition to mayoral duties, Mayor Desmond is the City's primary representative on the board of the San Diego Association of Governments (SANDAG) and is the chair of the SANDAG Regional Transportation Committee. Mayor Desmond also serves as chair of the San Marcos Fire Protection District. Since 2007, he represents the North County Inland Cities (San Marcos, Vista, Escondido, and Poway) as a board Member of the San Diego County Regional Airport Authority." This outstanding history of excellence will provide San Diego County with the leadership it needs, as we move into an extraordinary future.

One of the premier concerns of San Diego County is the soaring costs of housing. San Diego County is facing an unprecedented rental housing crisis in which affordability, availability and stability are at risk with no end in sight. Jim Desmond has held firm in his commitment to affordable housing throughout his tenure in San Marcos. He has honored the investments made by the San Marcos Mobilehome Community homeowners in the City of San Marcos and has ensured and maintained those policies that protect homeowners from unpredictable and excessive rent increases. These homeowners have injected millions of dollars into the City of San Marcos' economy.

For these reasons, San Marcos Mobilehome Residents Association's Political Action Committee endorses Jim Desmond for Supervisor.

Sincerely,
