

## 75<sup>th</sup> Assembly District Caucus Meet-Up Water, Water, Everywhere

Mike Sannella, Director, Vallecitos Water District Board

The San Diego County Republican Party 75th Assembly District Caucus recently held a meeting in San Marcos featuring Mayor, Jim Desmond and leaders from local water agencies throughout North County.

Mike Sannella, Director

The water panelists included Erin Lump from Rincon Water District, Gary Arant from Valley Center Water, Brian Brady from Fallbrook Public Utility, Mike Sannella from Vallecitos Water, and Peter MacLaggan from the Carlsbad desalination project.

The water panel provided an update on current drought conditions and the latest issues surrounding water infrastructure in California including damage to the Oroville Dam spillway.

The water panel provided an update on current drought conditions and the latest issues surrounding water infrastructure in California including damage to the Oroville Dam spillway.

Gary Arant provided information on what farmers are doing to conserve water and implement new technologies to get the most crop from every drop.

Mike Sannella shared some recent reforms instituted at Vallecitos Water to reduce operational costs including employee pension and benefit reforms that have save rate payers money.

The three hour event was held at the Walnut Grove Park Community Barn and was attended by nearly 100 local residents.
